**Ramada Plaza Antwerp is undergoing a major renovation project**

In February 2011 PREM Group started an intensive renovation program on its 4-star Antwerp property, the [Ramada Plaza Antwerp](#). A total of €1.65 million is to be invested in the restyling of all 210 guest rooms. The 5 top floors are scheduled to be finished by the end of June 2011; the remaining 5 floors of this 10-story hotel are planned for the period from January until May 2012.

Rooms will be redone with new carpeting, curtains, feature wallpaper, new bedding, light fixtures and new furniture creating a complete different look that is contemporary yet classic and luxurious. The bathrooms get a facelift as well and the corridors will be completely redone.

The Ramada Plaza Antwerp is a popular hotel with both business and leisure travelers.
