

“We Proudly Serve” – Starbucks coffee corner in Leopold Hotel Antwerp and Oudenaarde

Leopold Hotel Antwerp and Leopold Hotel Oudenaarde proudly introduce their Starbucks Coffee Corner. After Holiday Inn Hasselt these two hotels by the Irish management company Prem Group, are the next to serve their guests the real Starbucks.

Not only hotel guests can enjoy the Starbucks originals, everyone is welcome to savour their favourite coffee in our cosy hotel bars. And of course the ‘coffee corner’ is open to everyone who wants to pass by for a ‘coffee to go’. With these temperatures we guess our chilling frappuccino’s will be a big hit!

This explains our choice for Starbucks: the ‘coffee to go’ principle and obviously their expertise in delivering premium coffee, enabling us to serve retail quality to our guests and visitors.

To celebrate the opening, both hotels have a yummy promotion in store:

Upon presenting the promotional flyer you receive a delicious muffin with your Starbucks! So keep your eyes open for our Starbucks promotion team distributing the flyers in the area.

Both hotels honour the Starbucks loyalty card: buy 10 coffees and the next one is on the house!
